

JUMBLES JAUNT FOR BOLTON BEER & CIDER WEEK

This is a short walk of around 3.6 miles on mostly flat footpaths, along with some time on roads. There is one short moderately steep climb down, although steps are available for this area. Some of these paths may become muddy in parts, depending on weather conditions, so it may be advisable to wear sturdy shoes or walking boots/shoes.

Participants are responsible for their own clothing and any liquids for hydration. Along the walk there are stops for refreshments and ice cream at the Jumbles cafe and Bradshaw Fisheries (see map below).
